

Akadamisches Kuntsmuseum
[Bonn, Germany]

1929-30

July 20th, 1929

Archeological Institute,
University of Bonn
Bonn, Germany.

Gentlemen;

Responding to your letter of July 8th, I am sending you under separate cover, all of the publications which you ordered. From the prices listed by you I am allowing a discount of 15%. We did not have a reprint of "Chios". The copy sent you is taken from the American Journal of Numismatics in which it originally appeared, and as you will see by the accompanying bill we have charging only one dollar for it. I have however, added to you order a copy of Baldwin's "Lampsakos the Gold Staters Silver and Bronze Coinages" at three dollars, because I assume you would want this, if you did not already have it. If for any reason you do not desire it, you may deduct the amount from the bill and return copy.

Very truly yours,

Secretary

Bill enclosed.

Sehr geehrte Herren,

im Auftrage von Herrn Professor Delbrueck bitte ich ergebenst um Zusendung der von Ihnen herausgegebenen Schrift von Agnes Baldwin: Four Medallions from the Arras Hoard. 1926 (Numismatic Notes and Monographs No 28). Herr Prof. Delbrueck glaubt sich zu erinnern, dass einige Jahre früher bereits eine andere Publikation von Agnes Baldwin erschienen ist mit dem Titel "Five Roman gold medallions". Wenn Sie uns auch diese schicken könnten, wären wir Ihnen dafür sehr dankbar. Sollten die Bücher nicht sofort lie-

ferbar sein, so bitten wir höflichst um Benachrichtigung, weil
Herrn Prof. Delbrueck viel daran gelegen ist, die Bücher so rasch
als möglich einzusehen. Der Sendung wollen Sie bitte ein Verzeich-
nis der ganzen Serie beifügen, da wir voraussichtlich eine ganze
Reihe Ihrer Publikationen erwerben möchten.

Mit verbindlichstem Dank im voraus

in vorzüglicher Hochachtung
